Dear Brothers,

This letter officially recognizes *HarvestNet* Institute (an affiliate of The Orlando Institute) as an approved equipping and ministry training site for those who have discerned a call to ordination for service in the churches and ministries of the diocese of Bolivia, a constituent member of the Anglican Communion.

It is the responsibility of students seeking ordination to contact their local pastors prior to starting studies, and through them, the Bishop of Bolivia, to secure sponsorship, receive ongoing spiritual direction and to acquire permission to enter into the ordination process.

Students who successfully complete the minimum of a Master of Christian Ministry Degree or Certification with a concentration in Anglican studies will be considered for ordination through the Diocese of Bolivia of the Anglican Province of the Southern Cone.

HarvestNet Institute is approved to provide aforementioned training toward ordination, but such training does not confer ordination or guarantee future ordination upon completion of the required course of studies.

For Christ and His Kingdom,

The Rt. Rev. Francis R. Lyons
Bishop of Bolivia
